How to access Moodle

The tab "Moodle" will be displayed at the top in Stud.IP-courses using Moodle. If you visit this page, you can use the button "Zum Kurs in Moodle" (i.e. "Access Moodle-course").

The "hamburger" menu is at the top left of the screen. You can use it to show or hide the left navigation bar, e.g. with a small screen or large contents (1).

In many courses, you can change the language of the Moodle-controls on the right side of the writing "TU Clausthal eLearning" (2). In the left navigation bar, you can use the upper block within a course to navigate to different pages. Like this, you can for example view the course page itself, the list of participants or an overview of grades (3).
