## How to access Moodle

The tab "Moodle" will be displayed at the top in Stud.IP-courses using Moodle. If you visit this page, you can use the button „Zum Kurs in Moodle“ (i.e. "Access Moodle-course").

Should you log in to Moodle for the first time, you have to accept the data privacy statement before accessing contents.

## The user interface

The screenshot shows the Moodle user interface. At the top, a green header bar contains the 'TU Clausthal eLearning' logo (1), a language dropdown menu set to 'English (en)' (2), and a user profile for 'Testbenutzer2 Student' (4). On the left, a sidebar navigation menu (3) lists options like 'Participants', 'Grades', 'Dashboard', 'Site home', 'Calendar', 'Private files', 'My courses', and 'Testkurs Borgardt'. The main content area (6) is titled 'Moodle - Beispielkurs' and shows a breadcrumb trail 'Dashboard / My courses / Moodle - Beispielkurs'. Below the title, there are sections for 'Ankündigungen' (7) containing 'Testdatei' and 'Beispiel-Test', and 'My courses' (5) listing 'Moodle - Beispielkurs', 'Testkurs Borgardt', and 'All courses ...'. At the bottom, a dark footer bar displays the login status 'You are logged in as Testbenutzer2 Student (Log out)', a 'Home' link, and links to 'Get the mobile app', 'Datenschutz', and 'RZ-Dokumentation'.

The “hamburger” menu is at the top left of the screen. You can use it to show or hide the left navigation bar, e.g. with a small screen or large contents (1).

In many courses, you can change the language of the Moodle-controls on the right side of the writing “TU Clausthal eLearning” (2). In the left navigation bar, you can use the upper block within a course to navigate to different pages. Like this, you can for example view the course page itself, the list of participants or an overview of grades (3).
