

Whiteboard and screen sharing in BigBlueButton

deutsche Version

During a conference, you or other participants can share screen content or use the whiteboard provided by BBB:

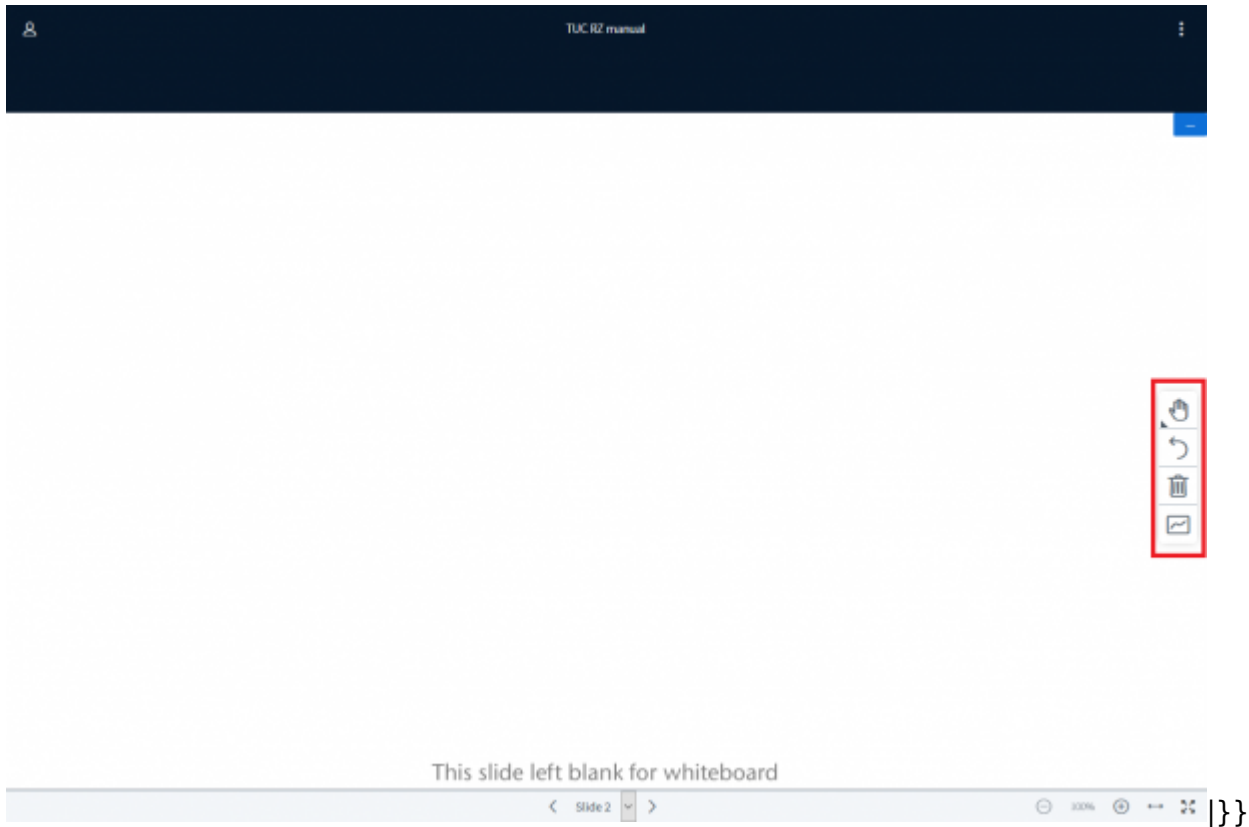

Whiteboard

To use the whiteboard, click on the following slide at the bottom.

The screenshot shows the TUC Webconf interface. At the top, there is a dark blue header with the TU Clausthal logo and the text "TUC RZ manual". Below the header, the main content area features the TU Clausthal logo and the URL "tu-c.de/webconf". The central text reads "Welcome to TUC Webconf" followed by "based on BigBlueButton, an open source web conferencing system". A large white box contains eight feature cards, each with a green icon and a description: CHAT (Send public and private messages), WEBCAMS (Hold visual meetings), AUDIO (Communicate using high quality audio), EMOJIS (Express yourself), BREAKOUT ROOMS (Group users into breakout rooms for team collaboration), POLLING (Poll your users anytime), SCREEN SHARING (Share your screen), and MULTI-USER WHITEBOARD (Draw together). At the bottom of the slide, there is a navigation bar with a "Slide 1" indicator and a context menu on the right side containing icons for home, back, forward, and refresh.

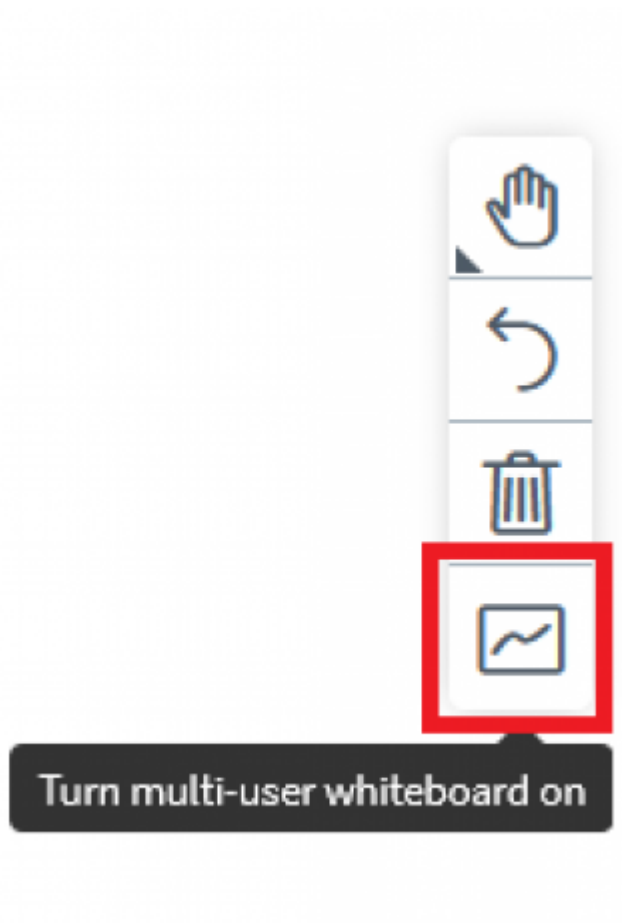

Select the tool you want to use from the context menu on the right.

Various tools are available, you can write texts, create shapes or draw freely.

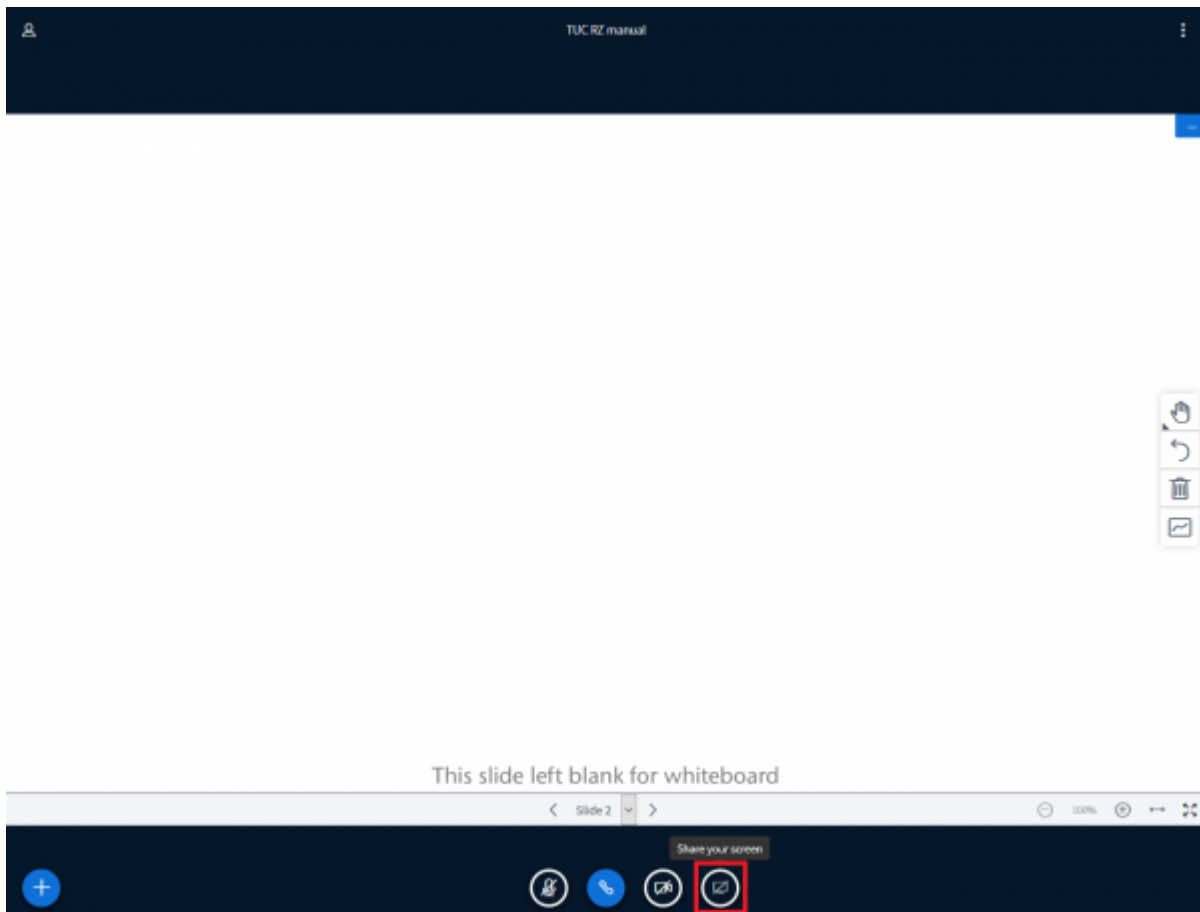

If you want to allow other participants to edit the whiteboard, click the last icon.

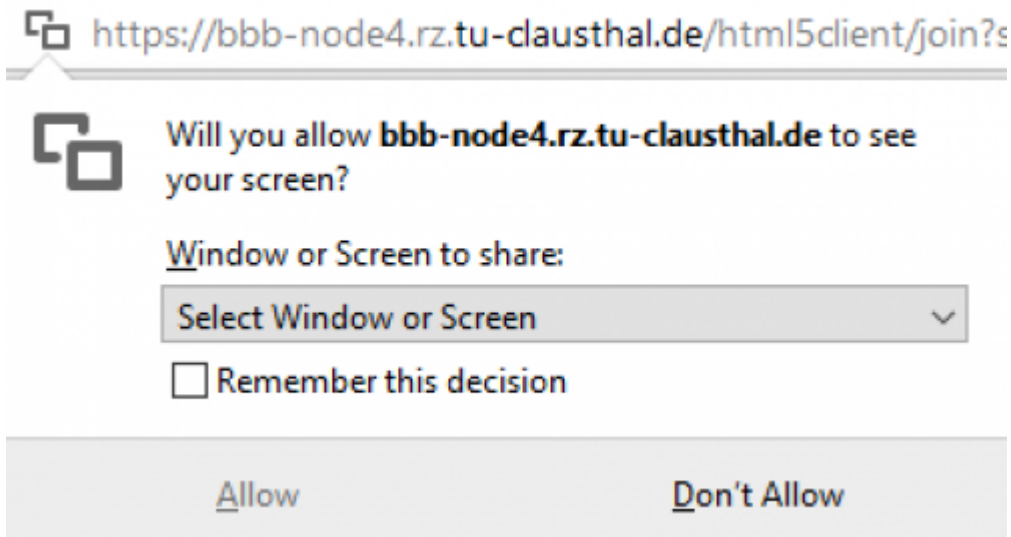

Screen sharing

To share your screen or certain windows, click on the screen icon in the lower context menu.

Your web browser should ask you in the following window what you want to share.

 <https://bbb-node4.rz.tu-clausthal.de/html5client/join?s>

Will you allow **bbb-node4.rz.tu-clausthal.de** to see your screen?

Window or Screen to share:

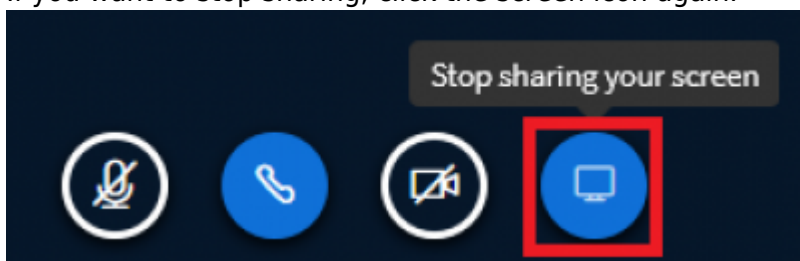

BigBlueButton - TUC RZ manual - Mozilla Firefox

Remember this decision

Allow **Don't Allow**

If you want to stop sharing, click the screen icon again.
