

Whiteboard and screen sharing in BigBlueButton

During a conference, you or other participants can share screen content or use the whiteboard provided by BBB:

Whiteboard

To use the whiteboard, click on the following slide at the bottom.

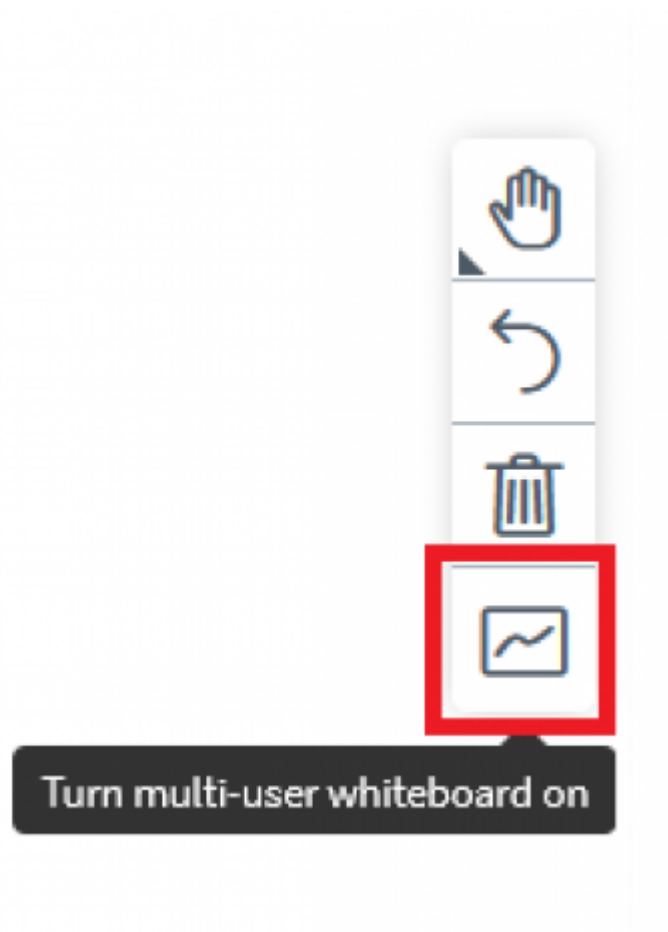

Select the tool you want to use from the context menu on the right.

Various tools are available, you can write texts, create shapes or draw freely.

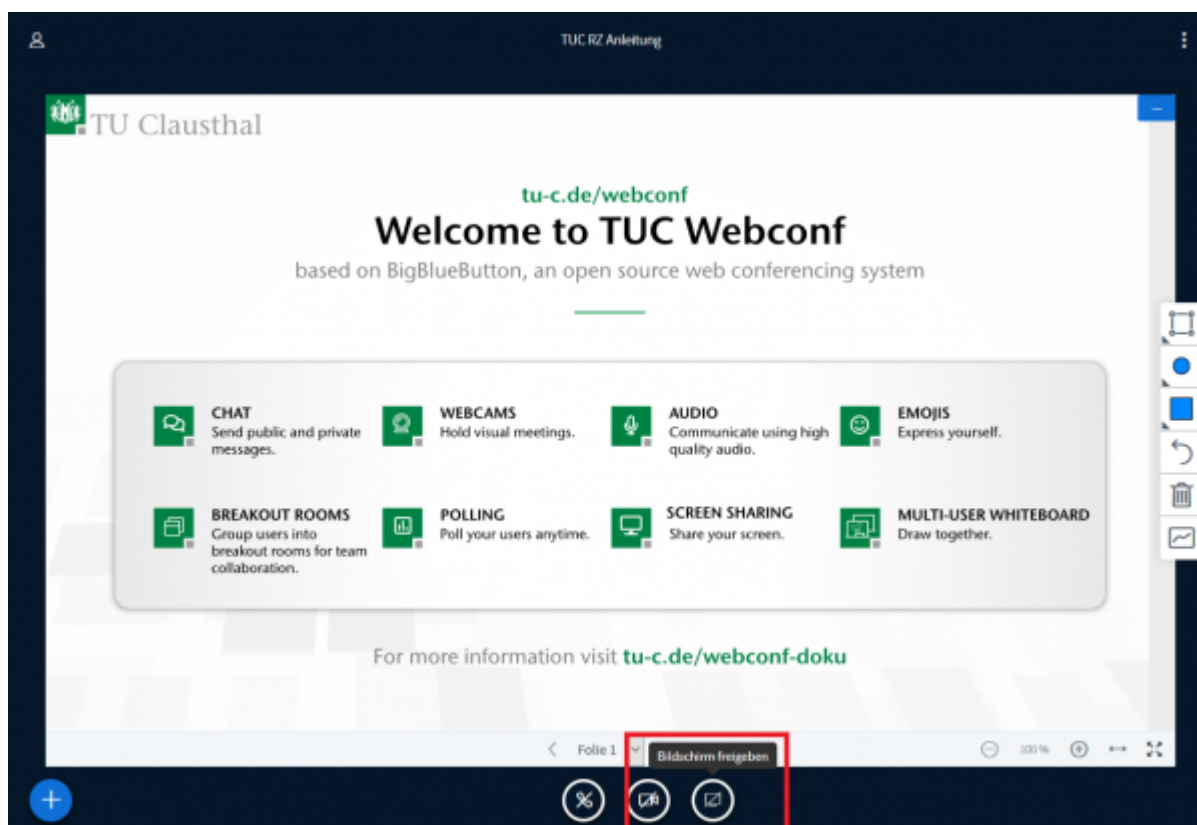

If you want to allow other participants to edit the whiteboard, click the last icon.

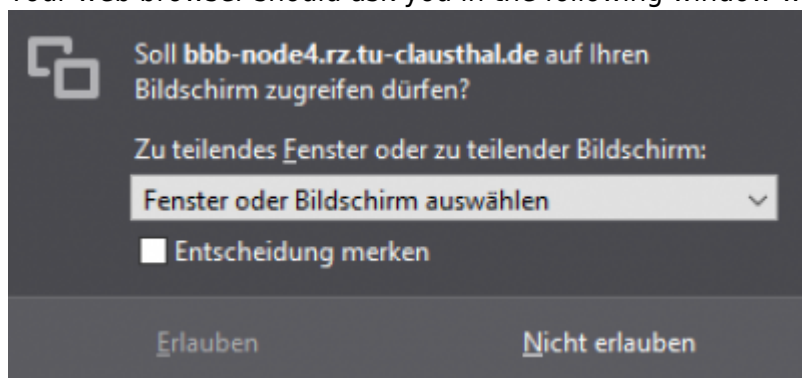

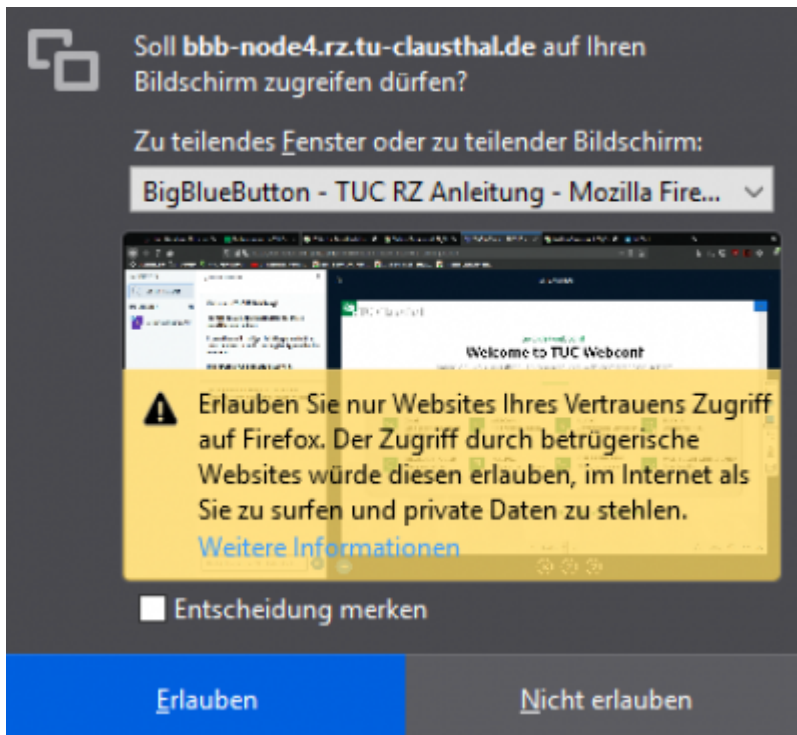

Screen sharing

To share your screen or certain windows, click on the screen icon in the lower context menu.

Your web browser should ask you in the following window what you want to share.

If you want to stop sharing, click the screen icon again.
